ADDITIONAL PROTECTION
FOR YOUR HONDA

Honda vehicles are engineered with reliability in mind, but as your vehicle gets older, the risk of mechanical or electrical failure can increase.

Our Honda Extended Guarantee provides reassurance against the cost of certain unforeseen mechanical and electrical repairs, subject to cover limits, exclusions and eligibility requirements.* You can purchase a Honda Extended Guarantee to provide cover from the date your 3-year/90,000-mile standard manufacturer's warranty expires, provided your vehicle is less than 12 years old on the Start Date. Other eligibility criteria, exclusions and terms apply.

You have the choice of 12, 24 and 36 months' cover (subject to vehicle eligibility).

12 MONTHS **£495** / 24 MONTHS **£815** / 36 MONTHS **£1,065**

Please note: You cannot make a claim or receive benefits under the Honda Extended Guarantee until 14 days have passed after the Plan Setup Date shown in your Customer Schedule. Cancellation rights may also apply.

*Terms and conditions apply. Subject to eligibility. Excludes wear and tear and other policy exclusions. Servicing requirements and maximum claim limits apply. Full terms and conditions are available at https://www.honda.co.uk/cars/owners/maintaining-your-honda/warranties-guarantees/extended-guarantees.
